

March 16, 2019

Dear NBCCS Members,

The Northern BC Centre for Skating executive committee has been closely following the rapidly evolving public health concerns regarding COVID-19. The City of Prince George has just announced that all civic facilities will be closed to help to avoid transmission of COVID-19, therefore we will be suspending all Spring Break programming effective immediately.

The health and safety of our members, coaches and community at large is our top priority. We will continue to monitor the COVID -19 situation and provide updates as more information becomes available.

We will send information to those members registered for our Spring Break programs and adjust their accounts accordingly.

If you have any questions please contact us at admin@skateprincegeorge.com

Thank you in advance for your understanding.

Jodi Drover - Office Administrator

Northern BC Centre for Skating
