### NORTHERN BC CENTRE FOR SKATING

#### **Successful First Year for the Northern BC Centre for Skating**

For competitive skaters Juvenile and up, Sectionals is the biggest competition of the season in our province. The Northern BC Centre for Skating had two skaters representing Prince George.

Emma Bajestani competed in Juvenile Women and scored 21.43, which is a new Super Series personal best. Emma successfully completed five different double jumps including a double double combination.

Justin Hampole competed in Pre-Novice Men where he placed 4th with 53.63 points. This secured his spot on the BC Team and participation at Skate Canada Challenge on December 4-8 in Regina. It has been 10 years since Prince George has had a figure skater qualify for a national championship.

Justin and Emma will represent Zone 8 at the B.C. Winter Games in Mission in February. Their success this season is being used as a motivational tool at the centre, especially for the younger skaters. This success will surely motivate and excite many of our members as the Centre builds towards hosting the BC/YK Sectional Championship next November.

Other NBCCS activities include:

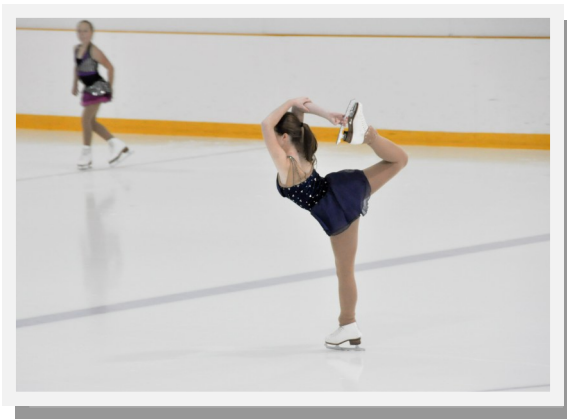

- November 25th - Christmas shopping party at Shhhh... where part of shopping is donated back to the club.

## CLUB NEWS

Cont...

- November 27th - Participation in 20th Annual Civic Light Up ceremony, where several skaters performed their programs for public.
- November 29th - Power of Performance development seminar. Special guest was Vanessa Hunter a SkateCanada technical specialist. All the skaters that participated had a chance to receive one on one feedback, something they don't get after competitions.
- December 8th - Our skater Jayna Mason will perform in "Holiday Festival on Ice" at the CN centre with Kurt Browning, Elvis Stojko, Jeffrey Buttle, Joannie Rochette, Shawn Sawyer, and Sinead and John Kerr
- December 13th - NBCCS annual "Holiday Ice Show" at the Coliseum arena. Featuring all local skaters including youngest CanSkate start to our top competitive athletes.
