Its SHOW time!

Sunday, May 8th @ 2:30pm

Line and Form participants will rehearse from 12:45-1:15. Soloists will have warm-up ice from 1:15-1:45. We will then flood the ice and the doors will open at 2pm. Pre-Junior and CanSkate performers will be required to be in the dressing room in costume with hair and make-up done by 2pm. Since it also happens to be Mother's Day we plan to incorporate that into the theme.

The Spruce City Skating Club is pleased to announce new Club sponsor:

L & Enterprises of Canada Inc.
L

The Club is looking for your help! The ice show is quickly approaching and fundraising efforts have been put into high gear. Several businesses have recently donated items for our silent auction.

To cover the cost of the Ice Show and to purchase some much needed equipment, more fund raising is necessary. How can you help? The Executive has done up sponsorship letters that need to be distributed to local businesses around town. If everyone takes a few to hand out to the businesses that they shop in or contacts they may have, we are sure to reach our goal.

Please contact our VP, Reneé Hampole, for your copy of the letter.

May/June Cross Training!

Off-ice cross training opportunities
will be available for the six weeks
that we are without ice.

Further details will be available
soon!

A Message from the PGFSC

Hello Skaters & Families,

It was recently brought to our attention that a camera was turned in at the Range Road Husky. There were figure skating pictures from the Cariboots Competition on the camera.

If someone did lose their camera they can contact Fred or Missy at the Range Road Husky (250) 562-8020 and provide a description of the camera.

Thank you!
