*Memo: Club Teamwear*

*Dear Members,*

*I would like to take this opportunity to welcome you all as we embark on the exciting journey of creating a Centre for Skating in our Region, with the ultimate goal of becoming the third Centre of Excellence in British Columbia. Our primary objective is to create a positive environment for our athletes and to deliver programs that meet and exceed the standards established by Skate Canada.*

*Recently there have been many inquiries about teamwear. As many of you are aware, we have applied to the B.C. Registry for an official name change. We should know the result of that decision by early next week. At that time the company and style of teamwear will be released. The teamwear the Club has chosen is cost effective, with high quality material and is suitable for both genders. It is important that we have one look and one style to represent our Club and this will be the only teamwear authorized to have the official Club logo and Club name.*

*I would like to thank you for your support and dedication to the Club and to the future success of all our athletes.*

*Sincerely,*

*Renee Hampole*
